

Local Everywhere®

Our employees live and work in the same communities you do. Every month, we will be sharing a story of one of our teammates with you. They might be your neighbor, or that guy on the trail running with his dog, or that gal sitting next to you cheering for the high school team. These are the same people who greet you when you call Animal Supply Company, or deliver orders to your store – and we couldn't be more proud of them. We are Animal Supply Company and we are local everywhere.

Jayne Wingrove is Living Large on the Lakes

Customer Service

HOMETOWN
Akron, OH

Jayne Wingrove said "I love the lakes," a Customer Service Representative in our Orrville Service Center. Jayne lives in Akron, Ohio, in the Portage Lakes area. "I love the smell of the lakes, which I know is strange, but I grew up around them and it just smells like home.

Nothing beats sitting out at one of the many lakeside restaurants or bars in the summer with a drink in hand, feeling the breeze and enjoying the view."

A self-professed boring person, the biggest loves in Jayne's life are her husband Frank, movies, Mexican food, softball, and her cat Kleo.

"I am pretty boring," she said. "We don't do much. We have a

close group of friends we hang out with and I do really enjoy going to the movies and try to make it out at least once a month."

Jayne prefers feel-good movies and musicals with great music and great dancing. Grease and Dirty Dancing are a couple of her all-time favorites.

"If I had to choose one, I couldn't choose," she laughed. "I have watched both probably a hundred times."

She's not a huge sports fan but she does like what she likes and softball is one sport she likes. "I played softball for 10 years and it is still my favorite sport," she said, adding, "I'm

a huge Ohio State Buckeyes fan, they are my favorite sports team. I also love the Cleveland Indians and, much to my co-workers' chagrin, the Pittsburgh Steelers." That's

okay, Jayne we won't hold that against

you.

Another love of her life is Kleo her

cat. "Kleo was a stray that my sister found in the parking lot of a grocery store," Jayne explained. "She's still got some of that street cat sass, but for the most part she enjoys her cozy life."

Jayne has some of her own street cat sass and will go to the wall for her customers. "There isn't anything I wouldn't do for my customers," she said. "Nothing is ever not my job. If I can accomplish it without sending the customer to someone else, I will."

We love Jayne's can-do attitude almost as much as she loves the smell of the lakes. She smiled, "It just smells like home."

"I love the smell of the lakes."
