

Local Everywhere®

Our employees live and work in the same communities you do. Every month, we will be sharing a story of one of our teammates with you. They might be your neighbor, or that guy on the trail running with his dog, or that gal sitting next to you cheering for the high school team. These are the same people who greet you when you call Animal Supply Company, or deliver orders to your store – and we couldn't be more proud of them. We are Animal Supply Company and we are local everywhere.

Alicia only has 2 cats. "My mother has 5 and that is crazy, so I think I'm just an intermediate crazy cat lady" she said.

Alicia is quick to add that she loves dogs as well. "Cats and I just mesh together perfectly,"

"Cats & I just mesh together perfectly."

she said. Her two cats are Belle and Beast. (Three guesses what one of her favorite movies is.) They are both about 1 year old. "They are just the funniest little creatures and they are so playful and cuddly."

In addition to her crazy cat lady mom, Alicia has four younger brothers and a twin sister, which adds a whole 'nother level of crazy to her life. Alicia's dad is Charles Headley, who also works for Animal Supply Company as an Inventory Analyst. "Family means everything to me," she said. "They all push me to be a great role model."

Being close to family and friends is one of the reasons she chose to make her home in downtown Puyallup, Washington. "I love living downtown because it is close to cute shops and the train station," she said. "And, I love being outside, hanging out with friends, or just adventuring."

Alicia's outdoor adventures usually include going to the mountains and to the beach. She also loves playing basketball and watching movies. "My all-time favorite movie is Step Brothers. No matter how many times I watch it, it's always hilarious," she said. "I love to watch all different types of sports," she added. "My top two teams would have to be the Seattle Seahawks and the Oklahoma City Thunder."

Alicia also loves working at Animal Supply Company. "The people are great and my customers are an absolute hoot," she said. "Our conversations always include lots of laughter and often leave us breathless from laughing too much."
