Due to COVID-19 we have been forced to close all operations; we are unaware of when we will be able to return to work at full capacity. We will have to push back your scheduled ship date for any PO's up to 2 weeks or longer. We are hoping that we can have this sorted out and be able to return to work. However, we cannot guarantee that we will be able to be back to work within the next two weeks. Please reach out if you have any questions or concerns. We will contact you as soon as we have more information.
